Faithful Still: Our Experience and Hope

We have entered the final quarter of what is likely the most disorienting year of our lifetimes. When we greeted the new year of 2020, none of us anticipated the health threat, practical challenges, and economic hardships of a global pandemic. Like the schools, businesses, and organizations throughout the nation, our families and congregation have had to adapt to these unpredicted circumstances.

No one enjoys feeling unsure or out of control, and throughout this year we have had to live with contingency and uncertainty. But into this situation our faith speaks words of great encouragement. Amidst all the challenges of living—in every age and circumstance—God is faithful still! Throughout the scriptures we read of the great challenges faced by God's people and the steadfast, saving love that saved and strengthened them. There is deep comfort in knowing that God's rule holds strong regardless of our situation. God reigns in steadfast love, and we are secure in God's care.

Our annual stewardship campaign lifts up the truth for our comfort and encouragement: God is faithful still! In the weeks ahead, we will invite each member and friend of John Knox to ponder God's faithfulness and to answer with our own faithful response. We pray you will use this season to discern how the Lord has blessed you, especially through these most challenging recent months. We hope and trust that doing so will lead you to respond in faith, committing to the ministry of our church to a world that needs to experience the same Good News of God's love.

Right now our ministry depends week to week on our faithful fulfillment of our commitment to this year's ministry. How next year's ministry unfolds will depend upon how we answer God's faithfulness. Look for more materials soon to assist you in your discernment, and please join me in praying for our church's faithful service to God's glory.

Faithfully,

PLEASE GIVE.
