## Lighting the Path: Through the Bible 2021

Christmas is upon us, and our hearts are warm with God's love. If you want keep this deep connection going after the holiday season, please join us in reading through the Bible in 2021.

It makes sense. Jesus is that Word of God made flesh to dwell among us, full of grace and truth (John 1:14). Reading the Word of God written in scripture helps us hear God's voice and understand God's love for us. We stay closer to Jesus as we listen daily to this Word.

You can find a printable copy of our reading schedule here. You will see a manageable pace that takes us through the entire Bible by reading five days a week. We will provide notes and support each week to guide you, and we invite you to sign up for a group with whom to discuss and learn.

Please make a great New Year's resolution to grow in faith and understanding of the Bible. We look forward to learning together with you!
