Help stock the Christmas Morning Shoppe at Greer Relief
Gifts due by December 13

Angel Tree

Merry (very) early Christmas from the Angel Tree Ministry! This year our Angel Tree Ministry will focus, once again, on providing gifts for the Christmas Morning Shoppe of Greer Relief. COVID-19's negative economic impact on families in our region has made the need this Christmas season greater than ever, so we're making your participation in this vital ministry both easy and safe.

There are two wonderful ways to participate in the Angel Tree this year this year. You can simply use Greer Relief's Amazon shop for gifts to purchase gifts (which can be sent directly to Greer Relief's Christmas Morning Shoppe or dropped off at the church office). Or, you can make a donation to John Knox Presbyterian Church, earmarked for the Angel Tree. We will purchase gifts and gift cards with the donations we receive.

The deadline for turning in gifts is December 13, but the earlier, the better. So, [get clicking!](#) If you have any questions, please contact either Betsy Turnbull (293-2382) or Stevie Greene (616-7430).

Thank you for your continued generosity!

PLEASE GIVE.

**Your ongoing generosity helps
John Knox to continue to serve.**

We can receive your gifts:

- by mail
- through automatic bank draft
- through the John Knox App

In this season of concern, the Church's witness of service and caring is more important than ever. John Knox is doing all we can to continue our ministry in ways that keep us connected to God and to each other. Please continue your offerings so that we can serve fully throughout this time of need.

Ways to give:

- Mail your contributions to the church at 35 Shannon Dr., Greenville, SC 29615
- Set up electronic payments through your financial institution
- Use the John Knox app: click on "Give"

Thank you for prioritizing the ministry of Jesus Christ in your financial life.

Many of you have probably heard by now that Karen and I have moved to Summerville. Long story short it was an opportunity with my current employer that we agreed to pursue back in May and became more known in June to those outside of the family. Fortunately it has also allowed for Karen to take a much needed break from the craziness and insanity that Covid created within the elder care industry. There have been so many God moments along the way that have confirmed for us that this was the right decision.

Karen's last day at the Foothill Presbyterian Community was July 31st. On the following Monday, August 3rd, Mark, Bette, & Finley boarded a plane for New Zealand to spend time w/ Mark's family before continuing on to the Philippines to begin their mission work. While that is still in the works (Covid related delays), it appears that things will once again move forward in Jan or Feb. They are very hopeful that the Phillipine government will not shut them out. . .

The timing of everything and the way things just fell into place was/has been truly remarkable. I could go on about conversations that Karen & I had with questions, concerns, thoughts, etc. that were laid to rest shortly thereafter. We still have a lot of unpacking to do and things to get situated, but I'm confident that God will show us the way when the time is right. . . .

While we have not been at John Knox for months now, please know that all of you are in our prayers. We don't know exactly where God will lead us to our new church membership but it will be hard pressed to ever live up to the standards set by the John Knox family. Our new address is below and if you're ever in the area, feel free to stop by.
